

SOPHIA BURDETT

UX DESIGNER

PROJECTS

UI/UX Designer/ The Rothschild Trust

AUG 2023 — AUG 2023

Rothschild Trust provides healthcare and educational services to poor communities. Designed a responsive site in Figma to boost user interaction and volunteer recruitment.

UI/UX Designer / Watch Search

JAN 2023 — JULY 2023

Watch Search is an internal application for an international watch company. Tasked with redesigning the original application with the function to track competitor watch price fluctuations and search for historical prices.

UI/UX Designer / Merge

DEC 2022 — JAN 2023

Merge is a savings app that allows users to connect their email accounts and automatically organize and track their promotions and coupons. My responsibilities include, creating wireframes, mockups and prototypes.

WORK EXPERIENCE

UX Freelancer / Sophia Burdett Designs

JAN 2022 — PRESENT (NYC, NY)

Built responsive mobile and web designs. Worked closely with developers on maintaining consistency and establishing design standards. Created User Journey maps and LoFi/HiFi design mockups for stake holders.

Art Director / Art Thyme Studio

FEB 2016 — DEC 2021 (MIAMI, FL)

Defined direction for art curriculum. Led instructional art classes and camps for art students ages 5 and up. Created original class projects, provided advanced one-on-one art lessons.
